New Delhi-110001

NIXI Overview

NIXI is a not for profit organization set up under section 25 of the Companies Act, 1956 (now section 8 under Companies Act, 2013) for peering of ISPs among themselves and routing the domestic traffic within the country. The initial funding towards infrastructure was from Department of Information Technology. NIXI is performing the following three activities.

- Internet Exchange
- .IN Registry and Internationalized Domain Names (IDNs)
- National Internet Registry (NIR)

Internet Exchange: Eight Internet Exchange Nodes are functional at Delhi (Noida), Mumbai, Chennai, Kolkata, Hyderabad, Bengaluru, Ahmedabad and Guwahati. The Internet Exchange nodes have ensured peering of ISPs among themselves for routing domestic Internet traffic within India, resulting in better quality of service (reduced latency, reduced bandwidth charges for ISPs) saving on international bandwidth. Presently, 64 ISPs with 123 connections are connected with the various nodes of NIXI. The aggregated maximum traffic exchanged at all the nodes is 156 Gbps as on 08th August, 2019.

.IN Registry: .IN Registry functions with primary responsibility for managing Country Code Top Level Domains (ccTLDs). Registration of .IN domain has crossed the 2.04 million mark in 8th August 2019. Presently, 129 Registrars have been accredited to offer .IN domain name registration worldwide to customers. It has helped in proliferation of web hosting and promotion of Internet usage in the country.

.Bharat IDN in Indian languages:

.भारत domain name in Devanagari script was successfully launched on 27th August 2014 by Hon'ble Minister of Communications & Information Technology, and Minister for Law & Justice, Mr. Ravi Shankar Prasad. The Devanagari script covers Hindi, Dogri, Bodo, Konkani, Maithili, Marathi, Nepali and Sindhi Language.

This will increase the penetration of the Internet through use of local languages and local content.

The availability of .Bharat IDN in Gujarati, Bengali, Manipuri in Bengali script, Punjabi, Tamil, Telugu & Urdu languages started from 3rd August, 2015.

NIXI has sent an application to Internet Corporation for Assigned Names and Numbers (ICANN) and the same has been delegated for all the remaining Indian languages i.e. Assamese, Kannada, Oriya, Malayalam, Santali, Sanskrit, Sindhi, Kashmiri.

The API (Application Programming Interface) of 08 languages (i.e. Assamese, Kannada, Kashmiri, Malayalam, Odia (Oriya), Sanskrit, Santali and Sindhi) is under process of integration in Registry systems.

National Internet Registry (NIR) Coordinates Internet Protocol address space (both IPv4 & IPv6) allocations and other Internet resource management functions at a national level within the country. Earlier NIR was recognized by APNIC (Asia Pacific Network Information Centre) which is a Regional Internet Registry

Since its launch in 2012, NIR has registered impressive growth, the number of affiliates registered are 2775 as on 08th August, 2019.

NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the 16th Annual General Meeting of the members of the Company will be held as under:

Notes:-

- a) The relative explanatory statement pursuant to section 102 of the Companies Act, 2013, in respect of the business under item no. 2 to 3 is annexed hereto.
- b) A member shall not be entitled to appoint any other person as his proxy unless such other person is also a member of such company.

- c) The instrument appointing the proxy, in order to be effective, must be deposited at the Company's Registered Office, duly completed and signed, not less than 48 hrs before the time for holding the meeting.
- d) Members seeking any information with regard to the Accounts, are requested to write to the Company at an early date, so as to enable the Management to keep the information ready at the meeting
- e) In the 15th AGM held on December 27, 2018 the members approved the appointment of M/s S.S.Kothari Mehta & Co., Chartered Accountants, as Statutory Auditors of the Company to hold office for a period of 2 years from the conclusion of that AGM until the conclusion of the Annual General Meeting of the Company to be held in 2020. The requirement to place the matter relating to ratification of appointment of auditors by Members at every AGM has been done away by the Companies (Amendment) Act, 2017 with effect from May 7, 2018. Accordingly, no resolution is being proposed for ratification of appointment of statutory auditors at this AGM.
- f) The Notice of the AGM along with the Annual Report 2018-19 is being sent by electronic mode as well as physical copies to those Members whose email Id & addresses are registered with the Company.
- g) Member must bring the attendance slip with proof documents as stated in attendance slip.

EXPLANATORY STATEMENT

As required by section 102 of the Companies Act, 2013, the following explanatory statement set out all material facts relating to the business mentioned under item no. 2 to 3 of the accompanying Notice dated 20th November, 2019.

Item no. 2

Article 17b of the Articles of Association provides that the Ordinary members of the Company will elect Seven Directors among themselves.

Accordingly, as per article 17b and section 160 of the Companies Act, 2013, the list of the final candidates who will contest the election of the Directors and the ballot papers will be dispatched as per the schedule of election.

On the basis of the voting, result will be declared and new elected directors will be appointed for the period specified in the article 17d.

Therefore, the Board of Directors recommend passing of the Resolution as set out in item No. 2 of the Notice.

None of the Directors or Key Managerial Personnel (KMPs) of the Company or their relatives is in any way concerned or interested, financial or otherwise, in the said resolution.

Item No. 3

The Board is authorized to increase the number of Members of the Company as per Article II. 1. of table H of Schedule 1 of the Companies Act, 2013 and Article 2 (b) and (e) of the Articles of Association of the Company. Accordingly, the Board of Directors have approved the joining/leaving of the members of the Company during the year.

Board of Directors recommend passing of the Resolution as set out in item No. 3 of the Notice.

None of the Directors or Key Managerial Personnel (KMPs) of the Company or their relatives is in any way concerned or interested, financial or otherwise, in the said resolution.

Independent Auditors' Report

To
The Members
National Internet Exchange of India

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **National Internet Exchange of India** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, Income and Expenditure Account (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standard prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the surplus and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report particularly with respect to the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information identified above if, we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibility of Management and Those Charged with Governance for the Standalone Financial Statements.

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. This report does not include a statement on the matters specified in paragraph 3 & 4 of the Companies (Auditor's Report) Order, 2016 issued by the Central Government in terms of Section 143(11) of the Companies Act, 2013, since in our opinion and according to the information and explanations given to us, the said Order is not applicable to the Company .
2. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

- (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, Income and Expenditure Account (including other comprehensive income), the Statement of Cash Flow and Statement of Change in Equity dealt with by this report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with relevant rule issued thereunder.
- (e) On the basis of written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of sub-section 2 of section 164 of the Act.
- (f) The provisions of section 197 read with Schedule V to the Act are not applicable to the Company since the Company has not paid any remuneration to its directors. Accordingly, reporting under section 197(16) is not applicable.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone financial statements – Refer Note 16 to the standalone financial statements.
 - ii. The company has made adequate provision, as required under the law or accounting standards for material foreseeable losses, if any on long term contracts including derivative contracts.
 - iii. There were no amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

"Annexure A" to the Independent Auditor's Report of even date on the Standalone Financial Statements of National Internet Exchange Of India.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements'

We have audited the internal financial controls over financial reporting of **National Internet Exchange Of India** ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NATIONAL INTERNET EXCHANGE OF INDIA
NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2019

NOTE 1: COMPANY OVERVIEW, BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

I CORPORATE INFORMATION

National Internet Exchange of India ("NIXI" or "the Company") is Not for Profit Section 8 Public Company Limited by Guarantee and is having the registered office in New Delhi. NIXI was registered on 19th June, 2003 and was set up for peering of ISPs among themselves for the purpose of routing the domestic traffic within the country, instead of taking it all the way to US/Abroad, thereby resulting in better quality of service (reduced latency) and reduced bandwidth charges for ISPs by saving on International Bandwidth. NIXI is managed and operated on a Neutral basis, in line with the best practices for such initiatives globally.

II BASIS OF PREPARATION

a) Statement of compliance

These financial statements have been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard ('Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provisions of the Act to the extent applicable.

The financial statement up to year ended March 31, 2017 were prepared in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP) and other relevant provisions of the Act.

As these are the Company's first financial statements prepared in accordance with Indian Accounting Standards (Ind AS), Ind AS 101, First-time Adoption of Indian Accounting standards has been applied. An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 32.

These financial statements were authorised for issue by the Board of Directors on September 30, 2019.

b) Basis of measurement

The financial statements have been prepared on an accrual basis and under the historical cost convention, except for the following:

- i. Certain financial assets and liabilities measured at Fair Value / Amortised Cost;
- ii. Defined benefit plan assets measured at Fair Value;

c) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). The financial statements are presented in Indian National Rupee ('INR'), which is the Company's functional and presentation currency.

d) Current or Non current classification

All Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of the business of the Company and its business time cycle from inception of an order and its completion on realization in cash and cash equivalents, the Company has ascertained the operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

e) Use of judgements and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent liabilities and contingent assets as at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to estimates are recognised prospectively.

Application of accounting policies that require critical accounting estimates and assumption judgements having the most significant effect on the amounts recognised in the financial statements are:

Useful life and residual value of Property, plant and equipment and intangible assets;

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

III SIGNIFICANT ACCOUNTING POLICY

The Company has consistently applied the following accounting policies to all periods presented in the financial statements.

A handwritten signature in blue ink, appearing to be 'S S Kothari'.

A second handwritten signature in blue ink, appearing to be 'Mehta'.

a) **Property, plant and equipment**

i) Recognition and measurement

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including any directly attributable cost of bringing the item to its working condition for its intended use.

An item of property, plant and equipment is derecognised when no future economic benefit are expected to arise from the continued use of the asset or upon disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognised in Income & Expenditure.

ii) Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at April 1, 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

iii) Depreciation

Depreciation on property, plant and equipment is provided on the written down value method based on the useful life of assets as prescribed under Schedule II of the Companies Act, 2013, which are as follows:

Plant & Equipment (Including Computer, Router & Server)	:	3-6 years
Furniture and Fixtures	:	10 years
Office Equipment	:	5 years
Air conditioner	:	5 years

The Company has estimated the useful lives based on the Assessment made by technical expert, of Air-Conditioners & Coolers different from the life prescribed in Schedule-II to the Companies Act, 2013 from 10 years to 5 years.

Depreciation on additions to or on disposal of assets is calculated on pro-rata basis i.e. from (upto) the date on which the property, plant and equipment is available for use (disposed off).

b) **Intangible assets**

i) Recognition and measurement

Intangible Assets Acquired Separately

Intangible assets that are acquired by the Company are measured at cost. Subsequent to initial recognition, the assets are measured at cost, less accumulated amortisation and accumulated impairment losses, if any.

Subsequent expenditures are capitalized only when they increase the future economic benefits embodied in the specific asset to which they relate.

All intangible assets are tested for impairment when there are indications that the carrying value may not be recoverable. Impairment losses, if any, are recognised immediately in standalone statement of income & expenditure.

An item of intangible asset is derecognised when no future economic benefit are expected to arise from the continued use of the asset or upon disposal.

Any gain or loss on disposal of an item of intangible assets is recognised in standalone statement of income & expenditure.

ii) Transition to Ind AS

On transition to Ind AS, company has elected to continue with the carrying value of all of its intangible assets recognised as at April 1, 2017, measured as per the previous GAAP, and use that carrying value as the deemed cost of such intangible assets.

iii) Amortisation

Amortization is recognised in the income statement on a straight-line basis over the estimated useful lives of intangible assets or on any other basis that reflects the pattern in which the asset's future economic benefits are expected to be consumed by the entity. Intangible assets that are not available for use are amortized from the date they are available for use.

The estimated useful lives are as follows:

Software : 10 years

The amortization period and the amortization method for intangible assets are reviewed at each reporting date.

c) **Impairment of non-financial assets**

At each reporting date, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication on impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset is the greater of its value in use or fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in Standalone Statement of Income & Expenditure.

d) Financial Instruments

i) Initial recognition

The Company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through income & expenditure, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

ii) Subsequent measurement

(a) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost by applying the Effective Interest Rate (EIR) Method to gross carrying amount of the financial asset, if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. When the financial asset is derecognised or impaired, the gain or loss is recognised in the standalone statement of income & expenditure.

(b) Financial assets at fair value through income & expenditure

Financial assets which is not classified in any of the above categories are subsequently fair valued through income & expenditure.

(c) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest rate method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(d) Reclassification of Financial Assets and Financial Liabilities

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. Except Trade receivables, expected credit losses are measured at an amount equal to the 12-month Expected Credit Loss (ECL), unless there has been a significant increase in credit risk from initial recognition, in which case those are measured at lifetime ECL.

With regard to trade receivable, the Company applies the simplified approach, which requires expected lifetime losses to be recognised from the initial recognition of the trade receivables.

iv) Derecognition

Financial Assets

Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial Liabilities

The company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

(v) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the company has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Handwritten signature in blue ink, with the number '42' written below it.

e) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using other valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair values for measurement and/ or disclosure purposes are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 - This includes financial instruments measured using quoted prices.

Level 2 - The fair value of financial instrument that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs require to fair value an instrument are observable, the instrument is included in level 2. Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

f) Government Grant

The grants-in-aid received from Govt. of India, Ministry of Communications, is segregated into capital and revenue grants based on sanction letters received from ministry and utilized for the purpose for which it is being given. Grant i.e Capital grant and revenue grant, if any, remaining unutilized is shown under the head "Capital Fund" and " Other Current Financial Liabilities" respectively as the case may be.

The assets acquired under the capital grant are capitalized and amortized over the useful life of the assets as prescribed under schedule – II of Companies Act, 2013. The amortization of these assets is reflected as adjustment for depreciation under the head of Capital Grants.

The interest earned through deposit of the grants is disclosed separately under the Government grants or unutilized grants, as applicable, in standalone financial statements as an addition to such grant.

g) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Contingent liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities are not recognised but are disclosed in notes.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

h) Revenue Recognition

Revenue from contracts with customers

The Company derives revenue by providing services of Dot IN Registry , Exchange and NIR.

Ind AS 115 "Revenue from Contracts with Customers" provides a control-based revenue recognition model and provides a five step application approach to be followed for revenue recognition.

- Identify the contract(s) with a customer;
- Identify the performance obligations;
- Determine the transaction price;
- Allocate the transaction price to the performance obligations;
- Recognise revenue when or as an entity satisfies performance obligation.

Revenue from contracts with customers is recognised on completion of contractual performance for the respective period at an amount that reflects the consideration to which the Company expects to be entitled in exchange for services. The Company has generally concluded that it is the principal in its revenue arrangements.

The disclosures of significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers are provided in

Note 11 and disclosures of transition approach along with impact of adoption of Ind AS 115 on financial statements are provided in Note 1(r).

A handwritten signature in blue ink, consisting of stylized letters.

Sale of Services

For sale of services, revenue is recognised on satisfaction of performance obligation upon delivery of promised service to customers at an amount that reflects the consideration the Company expects to receive in exchange for those services.

The main categories of revenue and the basis of recognition are as follows:

- a) Income from all of the operations (Exchange, Registry & NIR), including Data Transfer Differential Charges and all other income are recognized on accrual basis.
- b) Arbitration Income is accounted for upon settlement of the proceedings.
- c) NIXI acts as a facilitator for settlement of traffic exchanged between its ISPs using X-Y tariff and P factor. Under this arrangement, NIXI consolidates the traffic exchanged by connected ISPs at respective NIXI node and settles the account of entire member ISPs for net traffic routed by ISPs by receiving and paying the collected amount through X-Y invoice. P factor is recognized as revenue in the year of invoicing and X-Y tariff is routed through Balance Sheet as payable/receivable as the case may be.

Other Revenue Streams

Interest Income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition. Interest income is included in other income in the statement of Income & Expenditure

i) Technical Services Payments

Technical Services Fee payments to the service provider are related to period for which services are received and the amount, if any, remaining unadjusted, is carried forward and disclosed separately under the head "Other Current Assets".

j) Grants Paid

The Grants paid by the company for the projects funded by it are charged off to expenses in the year in which utilisation certificate is received and approved by the company.

k) Income Tax

The company is registered under section 12A of the Income Tax Act, 1961 and is exempt from Tax subject to compliance of related provisions of Income Tax Act, 1961. Accordingly, provision for tax and deferred tax provisions are not applicable.

l) Employee Benefits

i) Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably. Short term employee benefit also includes short term compensated absences and are provided on actual basis.

ii) Defined contribution plans

Employees benefits in the form of the Company's contribution to Provident Fund, Pension scheme, Superannuation Fund and Employees State Insurance are defined contribution schemes. The Company recognises contribution payable to these schemes as an expense, when an employee renders the related service.

If the contribution payable exceeds contribution already paid, the deficit payable is recognised as a liability (accrued expense), after deducting any contribution already paid. If the contribution already paid exceeds the contribution due for service before the end of the reporting period, the Company recognise that excess as an asset (prepaid expense) to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

iii) Defined benefit plans

Retirement benefits in the form of gratuity are considered as defined benefit plans. The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The company provides for its gratuity liability based on actuarial valuation of the gratuity liability as at the Balance Sheet date, based on Projected Unit Credit Method, carried out by Life Insurance Corporation of India. The Company contributes to the gratuity fund, which are recognised as plan assets. The defined benefit obligation as reduced by fair value of plan assets is recognised in the Standalone Balance Sheet.

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke.

When the calculation results in a potential asset for the company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in standalone statement of income & expenditure.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in statement of income & expenditure. The company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

m) Foreign currency transactions

Initial recognition:

Transactions in foreign currencies are translated into the Company's functional currency at the exchange rates at the dates of the transactions.

Conversion:

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Nonmonetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange difference:

Exchange differences are recognised in standalone statement of Income & Expenditure.

n) Segment Reporting

The Company's business activity falls within a single segment viz., Services of Internet. The segment has been identified by taking into account the nature of services, the differing risks, the returns, the organisation structure and the internal reporting systems and the manner in which operating results are reviewed by the Chief Operating Decision Maker (CODM).

o) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand and short-term deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

p) Cash flow statement

Cash flow statements are prepared in accordance with "Indirect Method" as explained in the Accounting Standard on Statement of Cash Flows (Ind AS - 7). The cash flows from regular revenue generating, financing and investing activity of the Company are segregated.

q) Lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease, based on the substance of the arrangement at the inception date, whether fulfilment of the arrangement is dependent on the use of a specific asset or assets or the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement. Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Company as lessee under operating lease

Payments made under operating leases are recognised in Income & Expenditure. The payments are in line with the expected general inflation to compensate the lessors expected inflationary cost increase.

r) Changes in accounting policies and disclosures

New and amended standards

The Company applied Ind AS 115 for the first time. The nature and effect of the changes as a result of adoption of new accounting standards are described below. Several other amendments and interpretations apply for the first time in March 2019, but do not have an impact on the financial statements of the Company. The Company has not early adopted any standards or amendments that have been issued but are not yet effective.

Two handwritten signatures in blue ink, one larger and more stylized than the other.

Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 was issued on 28 March 2018 and supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with its customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Company adopted Ind AS 115 using the modified retrospective method of adoption. The change did not have a material impact on the financial statements of the Company.

Appendix B to Ind AS 21 Foreign Currency Transactions and Advance Considerations

The appendix clarifies that, in determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the de-recognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which an entity initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, then the entity must determine the date of the transactions for each payment or receipt of advance consideration. This Interpretation does not have any impact on the Company's financial statements.

s) Standards issued but not effective upto the date of Financial Statements

Ind AS 116 Leases

Ind AS 116 Leases was notified by MCA on 30 March 2019 and it replaces Ind AS 17 Leases, including appendices thereto. Ind AS 116 is effective for annual periods beginning on or after 1 April 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees— leases of 'low-value' assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

Lessees will be also required to remeasure the lease liability upon the occurrence of certain events (e.g., a change in the lease term, a change in future lease payments resulting from a change in an index or rate used to determine those payments). The lessee will generally recognise the amount of the remeasurement of the lease liability as an adjustment to the right-of-use asset.

Lessor accounting under Ind AS 116 is substantially unchanged from today's accounting under Ind AS 17. Lessors will continue to classify all leases using the same classification principle as in Ind AS 17 and distinguish between two types of leases: operating and finance leases.

The Company intends to adopt these standards from 1 April 2019. Ind AS 116 also requires lessees and lessors to make more extensive disclosures than under Ind AS 17.

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke, positioned to the right of the stamp.

Notes to Financial Statements for the year ended 31st March 2019

OTHER NOTES TO ACCOUNTS

16. Contingent Liabilities

Claims against the company not acknowledged as debt*

a) **Income Tax**

	As At March 31,2019	As At March 31,2018	As At April 1, 2017
Income Tax	Rs 30,04,91,329	Rs 27,37,22,955	Rs 27,37,22,955
Deposited	Nil ; as at March 31,2018	Nil ; as at April 01,2017	Nil (Gross)

* The Company is hopeful of favourable decision and expect no outflow of resources, hence no provision is made in the books of account.

- i) Income tax assessment has been completed up to A.Y. 2016-17 except A.Y. 2015-16. The appeal filed by the Income Tax department with ITAT against the order of CIT (Appeals) for Assessment Year 2009-10, 2010-11, 2011-12 & 2012-13 has been decided in favour of the company. And Hon'ble High Court has also decided the case in favor of NIXI. The appeals filed with CIT (Appeals) for the Assessment year 2009-10 to 2013-14 & 2014-15 have been decided in favor of company.
- ii) The amount lying as recoverable from Income tax department has been clubbed with refund due from department and shown as recoverable under Non current tax asset(Net) in Note No 5.
- iii) The income-tax department has also issued a show cause notice on 23 Jan 2012 for withdrawal of the exemption granted u/s 12 AA of Income Tax Act, 1961 which has been contested by the Company. Based on the legal opinion and subsequent legislative amendments, the management is of the view that the activities of the Company fall under the revised provisions of Sec 2 (15) of the Act and therefore, the exemption available to the Company shall continue to exist. There has been no further communication received from Income Tax Department in their regard changing the financial year.

b) **Service Tax**

	As At March 31,2019	As At March 31,2018	As At April 1, 2017
Service Tax	Rs 7,38,44,961	Rs 13,93,24,719	Rs 13,93,24,719
(Deposited	Nil ; as at March 31,2018	Nil ; as at April 01,2017	Nil (Gross)

- i) The company has been issued show cause cum demand notice amounting to Rs.7,38,44,961/- for the period of April 2010 to June 2012. Based on legal examination

(Handwritten signatures)

Notes to Financial Statements for the year ended 31st March 2019

and opinion, the company is of the opinion that there is a strong case of dropping of the demand at both CESTAT and commissioner level. Therefore, no provision has been created for the demand and interest thereon and penalties, if any.

- ii) During the year the company has received order for the service tax demand upto the year 2010 amounting to Rs 6,54,79,758.

c) Other matters, including claims relating to third parties etc.

	As At March 31,2019	As At March 31,2018	As At April 1, 2017
Other matters, including claims relating to third parties etc.	Rs.1,70,000	Rs.1,70,000	Rs.11,10,000
(Deposited Nil ; as at March 31,2018 Nil ; as at April 01,2017 Nil (Gross)			

- i) Claims against the company not acknowledged as debts Rs.1,70,000/- (Previous year Rs.1,70,000/-) excluding those disclosed elsewhere in these notes to accounts.

X. Sensitivity Analysis

Gratuity	Year ended March 31, 2019		Year ended March 31, 2018	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	2,293,208	2,673,523	2138527	2515498
Future salary growth (0.5% movement)	2,564,245	2,383,367	2233464	2415785

XI. Maturity Profile of projected benefit obligation: from the fund

Particulars	2018-19	2017-18
1 Year	35,444	32,638
2 to 5 Years	206,544	187,964
6 to 10 Years	388,211	355,636

XII. Description of Risk Exposures:

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follow -

- Salary Increases- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- Investment Risk – If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
- Discount Rate – Reduction in discount rate in subsequent valuations can increase the plan's liability.
- Mortality & disability – Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

27. Special Reserve

Special reserve has been created under Section 11 of the Income Tax Act, 1961, by transferring the unutilized amount in excess of 15% of the total income for the purpose to achieve the objects of the Company.

Notes to Financial Statements for the year ended 31st March 2019

Further, the accumulated unspent amount relating to previous years has also been transferred to special reserve during the year.

28. The company has taken office premises under non-cancelable operating lease arrangement. The future minimum lease payment in respect of such non-cancelable leases as at 31st March 2019 as summarized below:

(Amount in Rs.)

Particulars	Lease Payments	
	Current Year	Previous Year
Total Lease payment for the year (Recognised in statement of Income and Expenditure).	77,63,754	75,32,470
Minimum lease payments		
Not later than 1 year	77,63,754	75,32,470
Later than 1 year but not later than 5 years		Nil
Later than 5 years		Nil

29. MSME disclosure (on the basis of information provided by vendors and available on company's records)

Fair value hierarchy

The table shown above analyses financial instruments carried at fair value, by valuation method. The different levels have been defined below:

Level 1	This includes financial instruments measured using quoted prices.
Level 2	The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates.
Level 3	If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. There are no transfers between level 1, level 2 and level 3 during the year.

(Handwritten signature)

Notes to Financial Statements for the year ended 31st March 2019

Valuation technique used to determine fair value:

Specific valuation techniques used to value financial instruments include:

- The use of quoted market prices
- The fair value of cash and cash equivalents, bank balances other than cash and cash equivalents trade receivables, short term loans, current financial assets, trade payables, current financial liabilities and borrowings approximate their carrying amount.
- The fair values for assets & liabilities were based on their carrying values.

31. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

a) Financial risk factors

The Company is exposed to various financial risks i.e. credit risk and risk of liquidity. These risks are inherent and integral aspect of any business. The primary focus of the Risk Management Policy is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

i) **Credit risk**

The Company evaluates the customer credentials carefully from trade sources before extending credit terms and credit terms are extended to only financially sound customers. The Company secures adequate advance from its customers whenever necessary and hence risk of bad debt is limited. In relation to Exchange services, company reviews the business with all customers on regular intervals with a right to block all exchange related services, which gives additional assurance for better recovery.

Ageing Analysis of Trade Receivables

Ageing	As At March 31, 2019	As At March 31, 2018	As At April 1, 2017
Not due	74,71,743	2,06,52,225	27,29,173
Upto Six months	1,61,50,153	68,38,681	67,84,503
Six to Twelve Months	1,09,80,966	94,65,958	36,02,662
Above Twelve Months	2,73,27,819	1,40,81,687	56,51,042

Expected Credited Losses	-	-	-
Expected Provision for Doubtful Debts	-	-	-
Net Carrying amount	6,19,30,681	5,10,38,551	1,87,67,380

ii) **Liquidity risk**

Liquidity risk arises when the Company will not be able to meet its present and future cash and collateral obligations. The risk management action focuses on the unpredictability of financial markets and tries to minimise adverse effects. The Company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due and company monitors rolling forecasts of its liquidity requirements.

32. FIRST TIME ADOPTION OF IND AS

As stated in Note 1(II), these are the Company's first financial statements prepared in accordance with Ind AS.

The accounting policies set out in Note 1(III) have been applied in preparing the financial statements for the year ended March 31, 2019, the comparative information presented in these financial statements for the year ended March 31, 2018 and in the preparation of an opening Ind AS statement of financial position at April 01 2017 (the Company's date of transition). In preparing its opening Ind AS statement of financial position, the Company has adjusted amounts reported previously in financial statements prepared in accordance with Indian GAAP (previous GAAP). An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and the notes that accompany the tables.

Exemptions and exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

A) Ind AS optional exemptions

(Handwritten signature)

(Handwritten signature)

Notes to Financial Statements for the year ended 31st March 2019

i) **Property, plant and equipment & Intangible assets**

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for decommissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets.

Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

B) **Ind AS mandatory exceptions**

i) **Estimates**

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at April 1, 2017 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimation that were consistent in conformity with previous GAAP.

ii) **Classification and measurement of financial assets**

Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Accordingly the Company has determined the classification of Financial Assets based on the facts and circumstances exist as on the date of transition

C) **Reconciliation of Equity**

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

D) Notes to first-time adoption:

1. Financial Instruments:

- a) Non-current Security deposits have been valued at fair value using market rate of interest.

(Handwritten signatures)

Notes to Financial Statements for the year ended 31st March 2019

- b) Non-current financial Liability have been valued at fair value using market rate of interest.
2. The period income and expenses have been recognized in their respective year and pertaining assets and liabilities reclassified.

3. Remeasurement of post-employment benefit obligations:

Under Ind AS, remeasurement i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognized in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurement were forming part of the profit or loss for the year.
